Warning screen

WARNING: Virtual reality experiences can cause discomfort, motion sickness, or other health effects. To reduce the risk of these effects, follow these guidelines:

- If you experience discomfort or nausea, stop playing immediately and take a break.
- Make sure the area is clear of obstacles or hazards that may cause injury.
- Stay aware of your surroundings. Be mindful of your surroundings and avoid running into walls or other objects. Be aware of other people in the room.
- If you have a history of seizures, consult a doctor before wearing the headset. Stop immediately if you experience any symptoms.
- By continuing, you acknowledge that you have read and understood this warning and that you assume all risks associated with the virtual reality experience.
